Kalimat Agreement

1. "I totally agree that day care is very helpful for working parents."

2. "I think it's a good idea because children can learn to socialize early."

3. "Yes, I agree. Day care provides a safe and structured environment for kids."

4. "I couldn't agree more. It helps children develop independence."

Kalimat Disagreement

1. "I disagree because I think children should stay at home with their family."

2. "I'm afraid I can't agree. Some day cares might not give enough personal attention."

3. "I don't think so. It can be quite expensive for some families."

4. "Actually, I disagree. I prefer to take care of my child myself."
